	14	TRI-CITIES- HEATHER	72	DNF

OC-1, OC-2, Surfski, SUP

Congratulations to all racers! Sunday was a big windy day and I hope everyone had fun on the new downwind course this year!

I personally want to apologize for the late results and the confusion on Sunday at the awards and raffle. We were frankly unprepared for the finish when 73 boats crossed the finish line within roughly 20 minutes of each other.

The new finish line with men, women, mixed and SUP's all racing at once made the system we have been using for the last 6 years very ineffective. We are already correcting this for next year with an exciting new system!

Mahalo to all the participants and to JD for consistently putting on a great race! We look forward to seeing you again next year!

Mahalo,

Amy Graves
